The BHiveStrong Mission

In honor of Lydia Cassady, our BHiveStrong family is raising awareness and giving back to victims of domestic violence.

If you or someone you love is a victim of domestic violence, reach out to the National Domestic Violence Hotline at 1-800-799-7233. You are not alone!

Join us during domestic violence awareness month by being an advocate for domestic violence survivors and helping prevent domestic violence. Learn more at KCADV.org.

Thanks for joining us in helping stop domestic violence! Visit us online at BHiveStrong.com.
