

October is National Domestic Violence Awareness Month

PURPLE THURSDAY October 15

A national day of wearing purple shirts, ties, socks, and ribbons to remind survivors the roots of support in our community are strong. A great way to engage groups and coworkers in the mission!

Follow the QR link or visit GreenHouse17.org for more information.

Safety and healing take root in a community that cares. Participate to show your support for survivors and identify yourself as intolerant of violence.
